

What is our purpose?

Our goal is to improve the learning and living conditions of the children who attend the Diesterwegschule. We hope to provide additional opportunities for ALL children. We offer financial support and organizational help to each child.

Our organization, Förderverein Diesterwegschule e.V., works hand in hand with the school's Director and the Teachers Council to help in urgent situations.

For what tasks is the Förderverein responsible?

The organization acquires teaching materials that will be available to every school child. First grade classes are given a one-time donation of 100 Euros for any necessary expenses. In addition, the school library is given financial support. If the school administration requires additional funds, our organization is there to help.

How can you help?

Money donations are a great way to help our organization and support you child and the Diesterwegschule community. Become a member of the Förderverein with a minimum amount of 18 Euros per year. Please provide your bank account information on the following side and we will automatically withdraw your donation once a year. Become an active member and help us with your suggestions and by donating your time and effort.

What else do we offer?

The Förderverein sells T-shirts in several colors, cups and small bags as well as Baseball caps (5€) printed with the school logo. These items are on sale at every school event.

Information relating to the use of funds and events that we sponsor is available in our regularly issued newsletter. If you are interested in receiving mail from us please include your e-mail address with your name and street address.
